

County Executive's Report
Roane County Commission Meeting
February 11, 2013

- The County received \$106,162.24 from the City of Kingston Water Department due to the overbilling of water/sewer services at the Roane County Jail. A 6" meter was installed instead of the 4" meter, thus the water reading was over-inflated. The county will review the calculation to insure reimbursement is correct.
- In your packet under Reports and Correspondence you will find Correspondence Item #7 which is DMA #12, an analysis of the location of the U.T. Agricultural Extension Office. A resolution in your packet will reference this DMA.
- Household Hazardous Waste Day is scheduled for May 11, 2013.
- The handout at your seats is Correspondence Item #22, a letter from TVA granting, under a license agreement, properties in the Swan Pond area for a Volunteer Fire Station and an Office of Emergency Services facility.
