

County Executive Report
June 9, 2014

- Commissioners should mark their calendars for the Watts Bar Unit 2 tour for July 25, 2014.
- Construction is complete on a replacement shelter and new playground at the Roane County Park. Also, a new splash pad water toy has been added.
- 2015 Budget is proceeding with two all-day meetings scheduled for June 11th and 12th.
- The company, Alternative Engineering Solutions, who presented at Roane State Community College two weeks ago, has chosen not to continue negotiation for the Plateau Partnership Park.
- We have received a few complaints on the International Building Codes. Commission may want to consider a work session to discuss.
