Resolution # 02-13-1-07**IN THE COUNTY COMMISSION FOR ROANE COUNTY, TENNESSEE**

A RESOLUTION approving TVA and the Roane County Park Advisory Board's conceptual design and layout of the Swan Pond Recreation Area.

WHEREAS; Roane County has considered building a sports complex for a number of years which included discussion of borrowing up to Eighteen (\$18) million for the purchase of land and other amenities during 2009; and

WHEREAS, with the contribution from TVA for land and site preparation and the TVA Foundation contribution, Roane County has the opportunity to now develop a sports complex within a capital projects plan; and

WHEREAS, TVA has committed to replace the recreational facilities previously provided by TVA at the Kingston Steam Plant; and

WHEREAS, the previous recreational facility consisted of a baseball/softball field and a group of soccer fields; and

WHEREAS, TVA is proposing to provide land under a license agreement, and engineering and design to enhance the recreational assets in the Swan Pond Community; and

WHEREAS, TVA will provide at its expense the construction of and maintenance of:

- Lakeshore Phase I (peninsula) – construction to begin February 2013 and be completed by approximately June 2013.
- Lakeshore Phase II (east/middle embayment) – construction estimated to start in winter 2013-14 and be completed by approximately summer 2014.
- Both areas will be TVA-owned and controlled; and

WHEREAS, TVA will provide for the use and benefit of Roane County Government approximately 75 acres for recreational facilities, acceptance previously approved by the Roane County Commission by adoption of Resolution #07-11-06; and

WHEREAS, TVA has established an estimated schedule of design, layout, and availability to Roane County of the 75 acres as follows:

THE WORK IS DONE.

It's time to play.

You're invited to enjoy Lakeshore Park beginning Saturday, May 24.

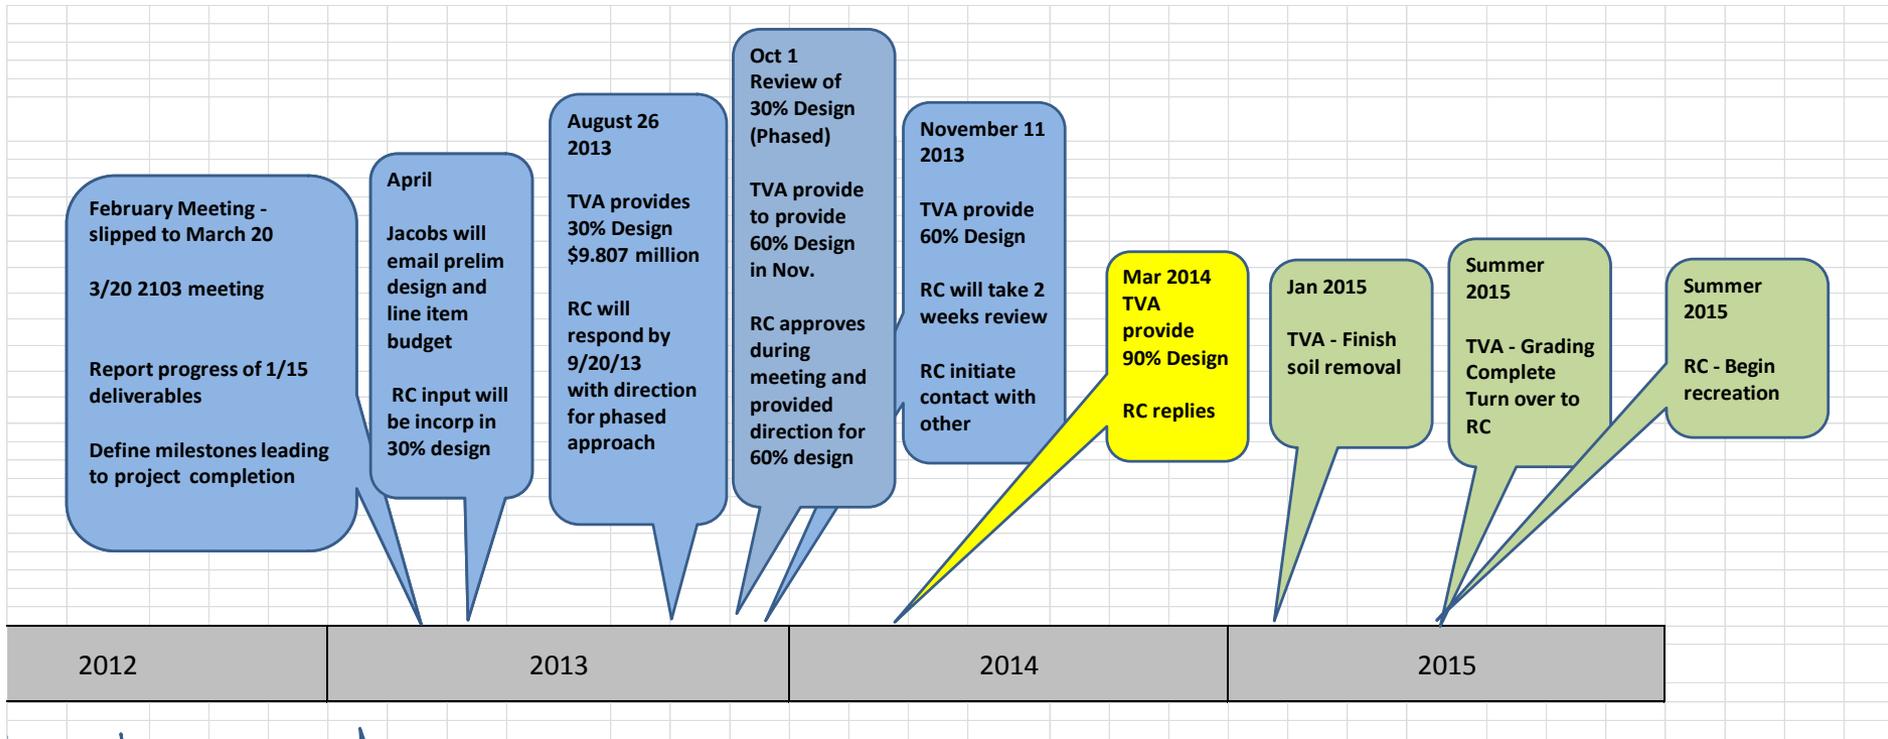

TVA is proud to join Roane County in announcing the opening of Lakeshore Park. This 32-acre park features two miles of paved walking trails, fishing piers, canoe/kayak docks, a boat ramp and dock, plenty of parking and a restroom facility. In addition, there are picnic areas and several informal overlooks to enjoy the natural scenery and wildlife. The park is open dawn to dusk.
