P&R Department Mission

Establish and maintain a standard for the:

Planning

Safety

Cleanliness

and Reliability

Of the Park facilities to accomplish the vision and priorities of the SR committee, RAB and County Executive

We work to keep our parks
safe – now and in the future

TVA's DONATION of \$20,000

So.....we work to:

Now....Keep TVA confident in Roane County's ability to be a good partner

Future....TVA has shown interest in continuing the partnership as we develop Swan Pond phase 2 and other projects

1	1500 Gallon Septic Tank	
1	1000 Gallon Grease Trap	
1	1500 Gallon Pump Tank	
1	4" Filter and alarm in Septic tank	
1	Duplex Pump System	
3	24" Risers and Lids	
2	24" Ring and Covers Grease trap	
20	4" Sch 40 Pipe	
3	4" Cleanouts	
6	4" Fittings	
6,700	2" Force Main	
4	Air Release / Riser / Carbon Lid	
	5 Way Hydrosplitter / 30" Riser /	
1	Lid	
832	34" Chambers field Line	
400	1" Sch 40 Force Main	

So, we work to develop SPSC

Shows location of Phase II adjacent to walking trail, fishing pier, and sports fields

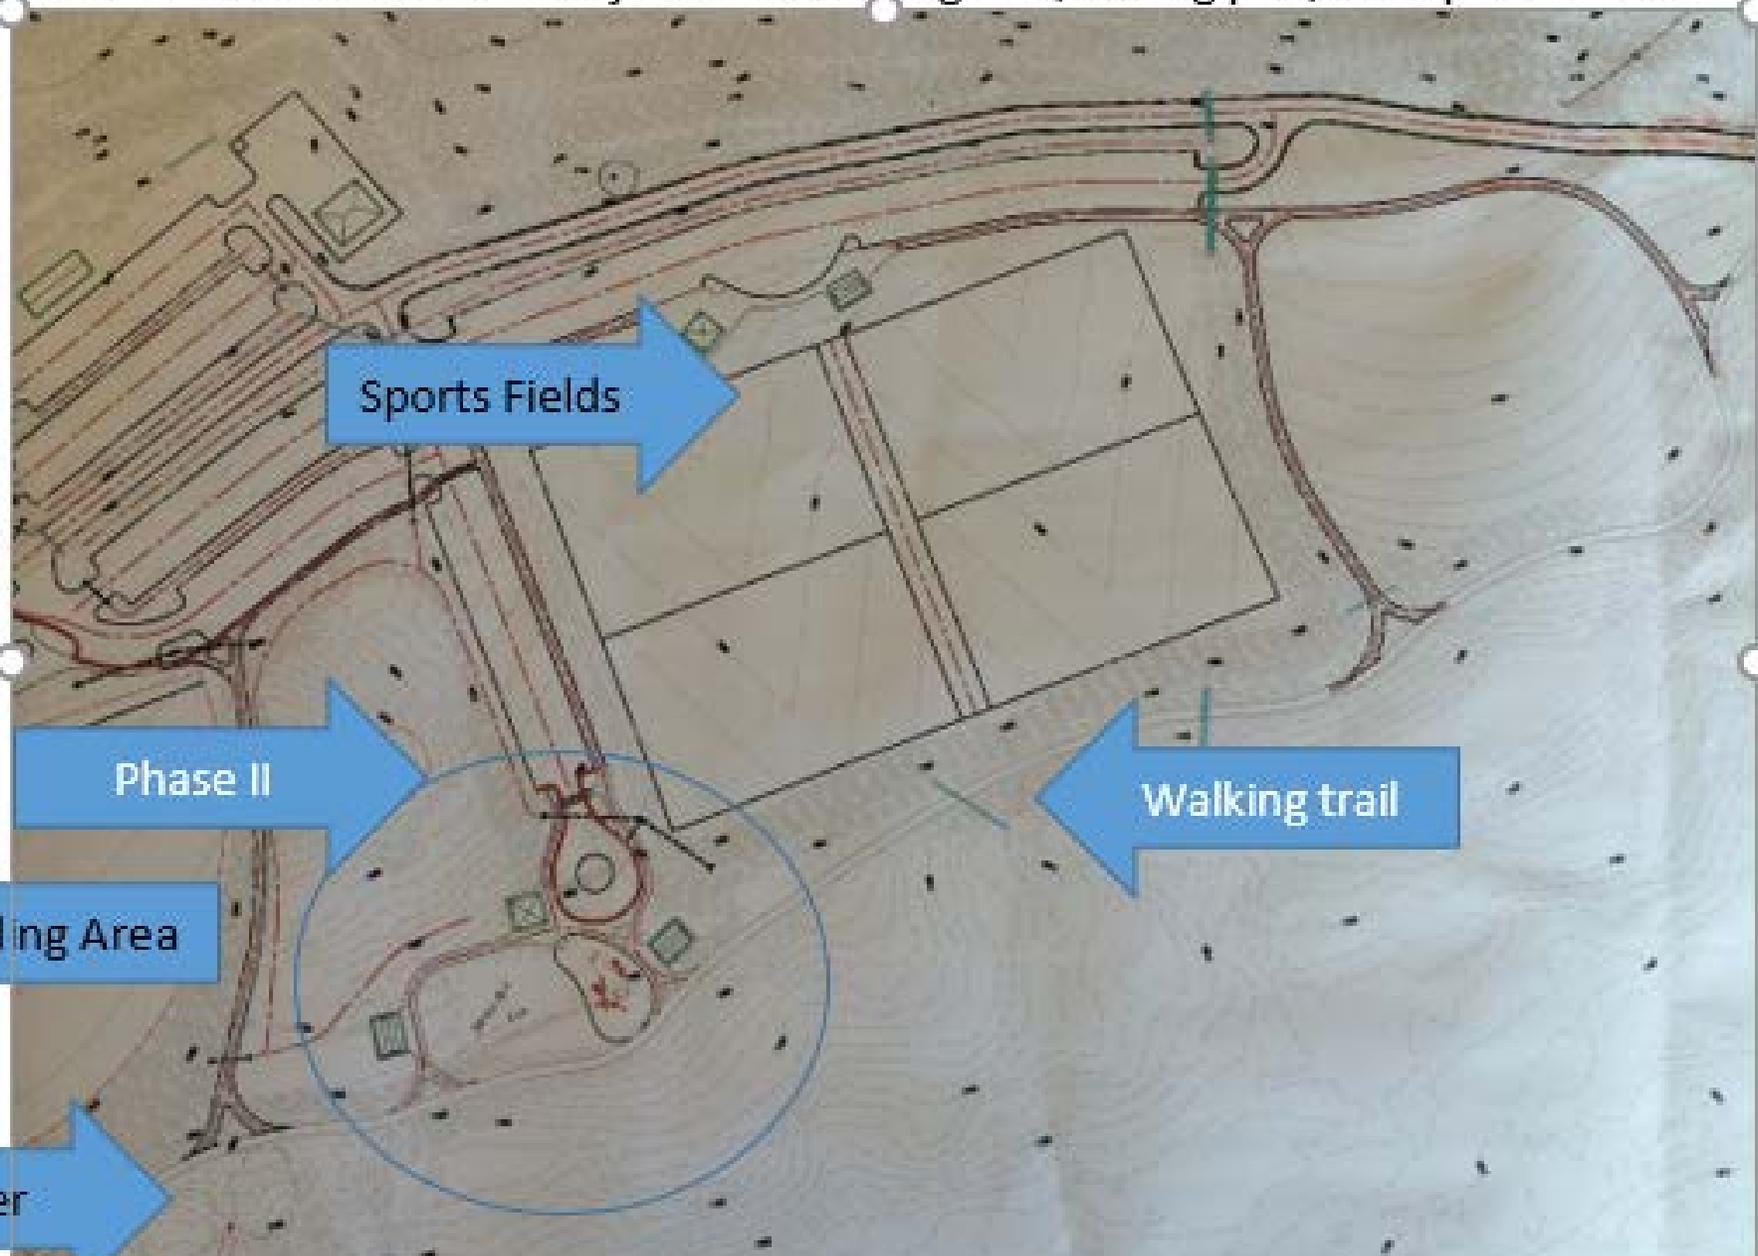

Sports Fields

Phase II

Walking trail

Birding Area

Fishing Pier

Adventure Themed

Melanie's suggestion

Today and tomorrow - we work to help make
Roane County

A healthier

Happier

More attractive

Place to work, grow and live
