## PRESS RELEASE

Today is Friday, May 1<sup>st</sup> and this is a 12:00 update. There's a few things I would like to discuss.

First, we have tested 1,471 individuals and have had only seven (7) positive cases and all seven (7) have recovered so no active cases for Roane County.

Second, the Courthouse is open today without an appointment but we do have limitations. As of 7:30 this morning, we have had people lined up as we are limiting only the number of people that can be served per office. If you can conduct your business online, we encourage you to do so. Find out more by visiting our website [www.roanecountytn.gov](http://www.roanecountytn.gov)

Third, the Governor's guidelines on opening up our close contact businesses such as barber shops, salons, etc. can also be found on our website. Executive Order 31 was put out yesterday and discusses limiting non-emergency dental procedures which is also on our website.

Good news as we go into May and we hope to keep it that way!

God bless Roane County, our State, and our Nation!
