

May 7, 2020

## PRESS RELEASE

Today is Thursday, May 7<sup>th</sup> and this is a 9:00 am update. I know this is a short follow up from yesterday, but important information was made available at 4:00-5:00 pm yesterday from the Tennessee Commissioner of Economic Community Development.

This website [www.tnpledge.com](http://www.tnpledge.com) provides guidance/guidelines for opening our businesses.

Yesterday, we focused mostly on Recreation Business. Here are some specifics:

- Youth sports are not allowed yet.
- Swimming pools/splash pads at the earliest, will be allowed June 1, 2020

Now, as we say this, please understand all decisions are fluid.

We are back to seven (7) positive cases with all seven (7) recovered. We have tested 1,764 people. One has been floating back between seven (7) and eight (8).

Commission meeting is Monday, May 11<sup>th</sup> at Harriman High School Auditorium. It should be on our YouTube page "Roane County Government."
