

June 19, 2020

PRESS RELEASE

Today is Friday, June 19th and this is a 10:00 am update. I have good news this morning. Roane County has only two (2) active Covid-19 cases. Our current positive and probable is reflecting at 32 with 30 recovered. We have tested 4,784 people. As I have reported before, the numbers jump around somewhat, but as of Thursday, 32 have been reported.

Today, the County has opened up the Roane County Park Splash Pad with some restrictions imposed by the Governor's office, CDC, and the County. Please, if you want to have your family enjoy the splash pad and park, obey by the established rules:

1. If not a participant in the splash pad, wear a mask.
2. One must sign in to use the facility.
3. The number of users will be limited.

I hope everyone has a wonderful weekend and continue to practice social distancing!

God bless Roane County!
