COVID VACCINATIONS

Hello, this is Ron Woody, Roane County Executive with a COVID vaccination update.

The Health Department has informed us that vaccinations are by appointment only. A few walk-in were accepted over the weekend, but as of now, the vaccine supply is only enough to provide for those who have a scheduled appointment.

Please call 865-354-1220 or 865-549-5343 to schedule an appointment or be put on a waiting list.

Here is also a link for a signups. As of now, the sign up on the website listed above reflects it is sold out. I would go to the website first and if sold out, then call the Health Department to be placed on a schedule.
